Thomas-James is the Administrative Director of **HempUSA.org**, a worldwide hemp distribution company that has blossomed into more than just a wholesome super foods purveyor. **HempUSA.org** imports new and exciting products from all over the globe that help keep the earth green and its people happy. He is a singer, songwriter, educator, natural health spokesperson, activist, motivational speaker. He is a devoted advocate for the hemp food, clothing and shelter industries. **HempUSA.org** brands its own hemp products that are pure; grown without herbicides, pesticides or fungicides. He has been a guest speaker and a sponsor on multiple radio networks and has appeared live on many am/fm radio talk shows around the country including shortwave radio, Sirius Radio, XM Radio and worldwide internet radio networks.

Specific Sponsorship Includes:

You can listen to the past broadcasts via the **HempUSA.org** website under the heading Radio Interviews. There are no subscription charges for any of our customers to use this service. It is also free to join the **HempUSA.org** affiliate program where members enjoy no recurring charges as well.

In addition to Thomas-James' holistic consulting, ongoing research, journalistic and musical projects, he is in the process of writing a book on Hemp Coffee highlighting its quality, benefits, positive effects on the human body and the vitamin and mineral nutrient values.

Thomas is devoted to waking up America and the people of the world through cooperative action, raising awareness of the humanitarian and planetary healing power of the hemp plant. HempUSA.org is now offering distributorships throughout the world helping people create a better world.
